SPEAKER: Pardon me sir, was your motion, you say you did ask for a suspension of the rules?

SENATOR RICHENDIFER: I asked for a suspension of the rules-

SPEAKER: Now you are asking for a suspension of the rules?

SENATOR RICHENDIFER: No I did ask for a suspension of the rules and this body voted on it. Thank you.

SPEAKER: Are we ready with the general file debate of LB 1? The Chair recognizes Senator Epke.

SENATOR EPKE: Mr. President a point of personal privilege please.

SPEAKER: State your point Senator.

SENATOR EPKE: It is my pleasure this morning to introduce 29 students from the Milford High School at the 9th Grade with their teachers, Gary Mosner, Larry Westrum and Mrs. Ron Jansee, there seated in the North Balcony, will they rise and be recognized please.

SPEAKER: Will the students from Milford please rise, we would like to recognize you. We are pleased to have you as visitors and observers this morning to the unicameral legislature of Nebraska. The Chair would next like to recognize Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature, a point of clarification on these resolutions, what happens when we get the signatures of - is that entered into the journal how many signatures we got or what takes place then?

SPEAKER: The rule makes no provision for it.

SENATOR MARESH: Well I would like to have it entered into the journal that LR #4 received 100% signatures from the body and I'd like to have that in the record.

SPEAKER: Senator Maresh the Chair would observe that your request is out of order and that you can't commit the members of the body to something they haven't signed or that they haven't agreed to, by stating in the journal that 100% had signed.

SENATOR MARESH: Mr. President what I am saying is that LR #4 was passed around and that all the members signed the resolution, that's all I said.

SPEAKER: LR #4 has gone around the body and has been signed by everybody?

SENATOR MARESH: Yes.

SPEAKER: Fine, the Chair sees no problem there.

SENATOR MARESH: I wanted that entered into the journal that LR #4 had received 100% signatures, right.

SPEAKER: Hey, Senator Maresh, we are not communicating. Has the resolution gone around the body?

SENATOR MARESH: Yes.

SPEAKER: It has gone, it is a fact, it is signed, fine. The Clerk needs the piece of paper back. Senator Nore asked to be excused, for the rest of the morning Senator Nore? Any objections, hearing no, so ordered. The Chair recognizes Senator Proud.
